

Wesley Nikee Holder

Raleigh, NC | wnholde3@ncsu.edu | [nikhold.github.io](https://github.com/nikhhold)

EDUCATION

North Carolina State University | GPA: 4.0

B.S. in Computer Engineering, May 2028

Relevant Courses: Intro to Signals, Circuits, and Systems, Intro to Computer Systems, Computer Systems Programming, Electric Circuits, and Fundamentals of Logic Design

TECHNICAL SKILLS

Languages: C, MATLAB, Verilog/SystemVerilog, Powershell, Bash, HTML, CSS

Tools & Software: Linux CLI, Docker Compose, MS Excel, Visual Studio, FreeCAD

WORK EXPERIENCE

Lead Cart Associate, Sam's Club | Dec. 2021 - Apr. 2024

- **Optimized storefront logistics** and asset distribution under fluctuating, high-volume retail conditions.
- **Operated electro-mechanical machinery** safely while strictly adhering to OSHA and corporate protocols.

Student Office Assistant, NC State University | Sept. 2024 - Present

- **Maintained data integrity** while routing sensitive financial aid documentation across university systems.
- **Resolved complex inquiries** for students and parents via high-volume telecommunication channels.

PROJECT EXPERIENCE

Vending Machine FSM | ECE 212 (Fundamentals of Logic Design)

- **Designed a Finite State Machine** in Verilog to model multi-selection vending logic and coin-return circuits.
- **Validated system timing** and state transitions using testbenches to eliminate logical deadlocks.

Homelab | Personal

- **Configured localized servers** using Docker Compose to host automated infrastructure on refurbished enterprise hardware.
- **Managed networking protocols** and VPN routing via Linux CLI to analyze local data security.

HONORS AND ACTIVITIES

Honors: Sam's Club Employee of the Month (June 2022, July 2023), Dean's List (Fall 2024-Spring 2026)

Affiliations: Member of IEEE, Member of The Silicon Den: Tapeout Club
